

METHODS OF PAYMENT (PAYMENT OPTIONS)

OPTION ONE

By Bank Transfer

This is our preferred method of payment which is simple and easy to use. At the same time as pre-paying your tuition fees you can also pay for your accommodation and insurance at your local bank by transferring payment to our Victoria University Custom House account.

Sending your money to a Victoria University Custom House account gives you the option to either pay in your local currency or in a variety of major currencies, while providing a safe and fast payment method permitting you to track the payment progress online.

Using this payment option also enables the University to identify payments quickly, enabling the *Summary of Deposit* to be sent to you in a timely manner for student visa purposes.

Please go online to www.victoria.ac.nz/international/planning/fees.aspx to complete this payment method or click on “Fees and Costs” on the Victoria International homepage, victoria-international@vuw.ac.nz
